

Donations to Wandsworth Mind

Wandsworth Mind is an independent Charity relying on external funding and public donations to continue to operate. Although our Supported Housing Service is funded by Wandsworth Borough Council's Supported Housing, our Day Services rely on external funding and public donations to continue to operate. Our therapeutic groups require specialist therapists and our highly skilled staff run specialist groups including out and about and ethnic groups. Every pound we receive makes a difference. We are truly grateful for your donations.
